

Dear Educator,

Thank you for your interest in ABT Educational Programming. In an attempt to provide arts and dance services to New York metropolitan area schools, American Ballet Theatre gives all enrolled NYC public schools the opportunity to receive notifications about educational offerings and professional developments throughout the school year. Upon filling out the attached application, ABT will enter your school into our database which will allow us to keep you informed and up to date on current offerings.

ABT provides yearly opportunities for schools to receive complimentary tickets to both *ABTKids: Schools* (ABT's school-time performance series) and the Metropolitan Opera House season through ABT's *Introduction to Dance* ticket distribution program, as well as providing educational Study Guide materials to help students get the best possible experience out of the ballets. Enrolled schools will have exclusive access to these programs.

Information regarding *ABTKids: Schools* and the *Introduction to Dance* ticket distribution program will be sent to all enrolled schools in the months before offered performances. This program offers schools up to 100 tickets for use by students, their families, and school chaperones during our fall and spring season performing season. (*Be sure to visit our ticket distribution structure page on our website for an in-depth breakdown of tier movements and the ticketing requirements to fulfill each level*). Please note that filling out the enclosed application and enrolling will not guarantee tickets. Tickets are offered on a first-come, first-served basis in the order to which schools reply to each offer.

Perhaps the greatest benefit of enrolling is the relationship created with ABT for the future. In the event of expansion with current ABT programs, such as our *Make a Ballet* program and *ABT at School*, ABT will look exclusively to enrolled schools.

By submitting the application, the school is agreeing to adhere to the guidelines stated on the following page. All Metropolitan area schools are eligible to apply at no cost to the school. Please note that all information must be filled out completely, and failure to provide information will result in the school's request to be denied. We look forward to your participation and hope to see you soon at the ballet.

Sincerely,

Dennis J. Walters Associate Director of Education and Training
