

Dear Parent,

Join American Ballet Theatre Jacqueline Kennedy Onassis School Faculty and Teaching Artists for an audition preparation workshop. Rising 9th, 10th and 11th grade students are encouraged to attend and learn strategies to navigate in person and video audition settings.

The workshop will include a ballet technique class and a choreographic assignment following protocols used in summer program video audition requirements. Prepare yourself to meet those creative assignments in a supportive environment and hear feedback as you respond to a dance prompt, join in an improvisation, or create that solo submission.

The workshop will take place on **Monday, January 29, 2024** from 12:30pm-3:00pm at ABT's studios located at 890 Broadway, New York, NY 10003. Please see the schedule below.

<u>ABT RISE Audition Preparation Workshop</u>
