Preparatory rehearsals start the week before each season begins. There is an 8-week minimum guarantee in the contract. The schedule is subject to change. Our repertoire includes most full length classical ballets as well as many contemporary pieces. New works are added to the repertoire yearly.

If you are interested in auditioning, please fill out the [Application form](#) and upload your 1-page resume. The audition repertoire is listed on the Application Form.

Only the most highly qualified candidates will be invited to audition. Please do not submit this form unless you plan to be in New York on the audition dates. All auditions will be behind a screen. Excerpts with tempo indications will be emailed to applicants invited to the audition.
